Insert domain name - hereafter referred to as domain name

On _____ Domain Robot received a request from
Insert current date

Name of person/entity/reseller requesting transfer

for us to become the new registrar of record.

You have received this message because you are listed as the registered name holder or administrative contact for this domain name in the WHOIS database.

Please read the following important information about transferring your domain name:

You must agree to enter into a new Registration Agreement with us. You can review the full terms and conditions of the agreement at: <http://domain-robot.org/tc.zip>

Once you have entered into the agreement, the transfer will take place within five (5) calendar days, unless the current registrar of record denies the request. Once a transfer takes place, you will not be able to transfer to another registrar for 60 days, apart from a transfer back to the original registrar, in cases where both registrars so agree or where a decision in the dispute resolution process so directs.

If you WISH TO PROCEED with the transfer, please print out a copy of this document and send a signed copy to us.

(Note if you do not respond within 14 days, the domain name will not be transferred to us.).

Additional: As proof of identification I am attaching one of the following documents:

Notarized statement, valid driver's license, passport, article of incorporation, military ID, state/government issued ID, birth certificate.

If you DO NOT WANT the transfer to proceed, then don't respond to this message. If you have any questions about this process, please contact your current provider.

Best regards,
